Declaration

Insurer's rely on the proposal form containing all material information about you and that the information is true and complete. Material information is **anything** that may influence an Insurer's decision to issue a policy or not or to decide on what terms a policy will be offered to you. If you are unsure if something is material, you **must** disclose it.

If there is any change in the information declared after the date you sign this Proposal form and before any cover offered by Insurers commences, you must advise us immediately. Insurers may alter the terms quoted to you in such circumstances.

If you do not make a true and complete disclosure of material information, Insurer's may elect to cancel your policy or modify the terms on which it was issued. It may prejudice your ability to claim under the policy.

I declare that the statements and particulars in this proposal are true and that no material facts have been mis-stated, represented or suppressed after enquiry. I agree that this proposal, together with any other information supplied shall form the basis of any contract of insurance effected thereon. I undertake to inform the Insurers of any material alteration to those facts occurring before the completion of the contract of insurance.

A material fact is one which would influence the acceptance or assessment of the risk.

For and on behalf of all Insureds:
